

Don't forget, while you're doing your spring cleaning, to tidy up your outside space.

- The breezeways should always be free from clutter (by order of the Clinton Fire Dept.). Do not store anything under the stairs.
- Please discard rusty or broken furniture and remove dead plants from your patio/deck.
- Smokers, please be courteous! Cigarette butts should be disposed of properly.

LOCK YOUR CAR!

The best way to protect your car and it's contents is to always **LOCK IT**.

This area has had recent burglaries of unlocked cars so, it's a good idea for you and your guest to always lock up.

A reminder about using the dumpsters...

- Do not dispose of furniture/oversized items in the dumpster or leave them on the dumpster pad.
- Break down boxes when discarding to avoid overfilling.
- If one dumpster is full -- use another.
- Make sure garbage is properly tied and placed inside the dumpster. **DO NOT** leave garbage beside of or near the dumpster.
- If your children are too small to carry and properly dispose of your garbage, do not allow them to take it out.

April showers bring May flowers!

If you choose to plant flowers on your deck/patio please follow these guidelines.

- Don't plant anything that grows more than 24" tall.
- Don't plant vines or "climbing" plants.
- It's always best for your plants to be in pots or planters.
- Please maintain your plants and keep your deck/patio area beautiful.
- Neither CH/CT Apartments nor our landscapers are responsible for anything you may choose to plant.

Ways to be a good neighbor:
